

Brancy Nekvapil is an

international Belly dancer and choreographer having been trained by the most elite of belly dance instructors overseas. Having a vibrant personality and full of energy, this dynamo of a lady is packed in a small frame but her dancing will inflame the most subdued.

Brancy is a former Rhythmic Gymnast for 10 years having started at a young age of 8. She specializes in fitness classes, belly dancing and kids dance. Brancy has also performed with the Bellydance Evolution Troupe (USA), where only the best are selected to join after a tough selection process.

Brancy has invited to travel world-wide to teach and perform; Italy, Argentina, China, Korea, Indonesia, Thailand, Vietnam, Singapore... Brancy is known for her renowned performance abilities as well as patience and humility as a dance instructor and performer.
